

Connect to Success Mentee Profile

Name of Company: Douro Exclusive – Experience Guided Tours

Give a brief description of the company.

Douro Exclusive is a new company that is offering a very high quality service in the Douro Wine Region which is becoming, along with Porto city a trendy destination in the Europe for many travelers and even more for the ones that are very interested in food and wine matching. Our growth is connected with Trip Advisor (nº1 Ranking) which we understand that is very important to us but want to improve this service having more means of advertising and improve other products to become a reference in the Douro Valley.

What does your business hope to achieve through Connect to Success's Corporate Mentoring Program?

Douro Exclusive goals participating on this innovative program is become high quality reference company in the Douro Valley finding and making the very right partnerships to accomplish that.
